

# VISUALLY SUPERIOR TELEVISION

White SL55C100 Symmetry 55" LED

All televisions are not created equal. At Baumann Meyer our focus is on the Visual experience both in your room as well as on the screen. Baumann Meyer prides itself on producing the highest quality electronics or engine to achieve outstanding Picture Clarity, Depth and Natural Colour, a viewing experience that is simply Superior.

We then seamlessly blend our technology with a handcrafted Super Slim Television frame designed from Brushed Aluminium and finished in either Black, White or Mirror Optical Grade Glass to achieve a product that is truly a Visually Superior Television. For more information contact your Home Automation specialist or Baumann Meyer on 1300 011 094.
